**Catalogue Text**

The first volume in a set of three of the Bible - this was the only volume to survive. The date is 1853 or earlier. The only name is a child's pencil scribble of "Winnie" over an illustration. A Church program for the week of March 15, 1908 has a penciled backward sentence "Liela Paulsen is a naughty girl". Many pressed flowers, mostly jumping jacks and jack-in-the-pulpit.
